

Poker Walk 2024 is done and dusted!

This year's Poker Walk signed up 72 eager walkers willing to take their chance for a big win with a best hand. Along the way they got to see the sights and visit with our friendly folks. This year there were ten destinations spread out around our fair city to pick up poker cards and although the weather was HOT, they marched on! Interestingly, all three of the top hands were 4 of a kind with a kicker! **AND, the winners are...**

Left: Our winner, Dylan Borel, with 4 10's and a 9 High. He flashed a fabulous smile and collected \$300 cash.

Center: Our second-place winner, Joan Sieber with 4 7's with a K High. Joan held first place until the bitter end when Dylan came in with his 10's. She lost first place but took home \$150 bucks. It was a nailbiter!

Right: Third place and a \$50 cash prize went Bartley Hicks with 4 4's with an Ace High.

Well, we can't all win. When the dust settled, the worst hand was brought in by Nick Hogne with a pair of 9's Ace High. But there was a silver lining... he got his \$15 ante back!

It was a hot one, but a great day for the event. We thank our walkers and everyone who made our event such a success. Our volunteers suffered but prevailed – Brenda, Leslie, Tara, Joan, Jim, Edie John, Ernie! A special thanks to our sponsor **Best in the Desert Racing** who bankroll and make this event possible.
