

The 2025 Poker Walk It's a wrap....!

It was a hot time in the old town during the two-day Poker Walk during this year's Goldfield Days. The event, attracted 66 entries who braved the heat (and high winds on Friday) collecting cards from eleven stops. Not only was the temperature mighty warm, but the top three hand were mighty close. All three were 4 of a kind with a kicker!!! This is how it all worked out....

Sue Dudenhofer (left) of Boulder City, Nevada took top honors with a winning hand of 4 Aces with a 10 High. This hand won her \$300 and a place in Society event history. She is just smiling all over her face!

Second and third places were hotly contested right down to the wire. But when the dust finally settled, Erin McMurtrie (right) of Bishop, California came in with the second-best hand – 4 Eights with a Jack High. That won her second-place prize money of \$150.00.

Third Place and prize money of \$50.00 went to Ethan Ashe, (left) of Ocean Shores, Washington. He brought in 4 Eights with a 10 high. **Whew.... A close one!** And he shared a toast along with his win.

The worst hand went to our youngest player, a sweet little man named Carter Ashe, (right) of Boulder City, Nevada. But, since this is all in fun, he got his ante back. Such a trooper!

Only one heartbreaker to report this year regarding our popular Poker Walk. We lost our sponsor, **Best in the Desert Racing Association**. There is a true saying that “all good things must come to an end.” **BID** was our sponsor for many years and we are so sorry to lose them. The Society will always remember them with gratitude and wish them well.

Many thanks to our dedicated members and booth volunteers, Jim Price, Joan Sieber, John Ekman, Edie Koepnick, Brenda Gleffe (our poker guru) and Brenda's grandson Sheldon Spinetta. Ernie Ganem, checked in to see if we needed help. Thanks, Ernie!

Also, thanks to the all the folks who stopped by to shop, ask questions or just visit. We enjoyed every one of you!

Our card stops were awesome!
