

# Goldfield's 122<sup>nd</sup> Birthday Party - October 18, 2025

This Year's Goldfield Birthday Celebration had a touch of Halloween. When our local Goldfield Main Street group wanted to schedule an event on the same day the Society usually throws the yearly Birthday Party, we decided to partner with them and try something a bit different.

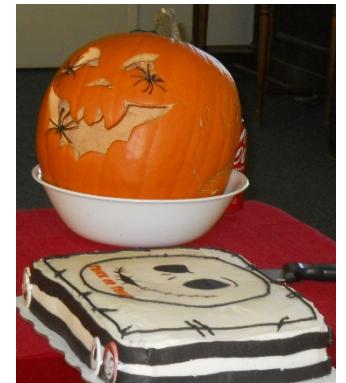

That meant, more punch, more cake, pumpkins, spiderwebs and LOTS of spiders!

Birthday Punch? ✓

Two kinds of Cake? ✓

Pumpkins and spiders? ✓

We started serving cake and punch at noon - shortly before the events at the Town Square Spooktacular event was set to begin. It was a lovely, sunny day with folks having cake and punch in the community center and then checking out the doings in the square. The activities in the square included games for the kids, pumpkin carving contests and face painting and lots of

conversation as well as tours of the High School.

Lots of locals stopped by to enjoy time (and cake) with us. And we were thrilled to welcome the travelers who saw our signs and stopped in to check us out. We thank everyone who stopped by to visit and share the day.

Our thanks to Goldfield Main Street for helping to make the day special!
