

**2026 Poker Walk Winners!** It was a hot time in the old town during this event. Fifty-Eight entries braved the extreme heat to visit local businesses and collect their cards in hopes of collecting the prize money for the best poker hand.

The big winner this year was Jack Venezio (at left) who brought in an eye-popping Four-of-a-Kind: **4 Aces /Jack High**. Jack hails from Pahrump, Nevada and also was a vendor at the event. A busy guy! He took home the top prize money of \$300. Well done, Jack!

The second-best hand went to Carrie Hess of Pahrump, Nevada (right) with another Four-of-a-Kind: **4 Queens /Ace High**. She gave Jack a run for the money. She collected \$150 for these beauties!

Third place went to Dan and Barb Morris of Las Vegas. Not to be outdone, they brought in yet *another* Four-of-a-Kind: **4 Tens /Queen High**. Look at those smiles... mighty close! They collected the \$50 prize and then generously donated the cash to the Historical Society. And, signed up as members of the Society. Welcome and thank you Dan and Barb!

Well, not everyone can win. The worst hand of the day went to Ann Kanie (right). A Pair of Eights /Ace High... sigh! However, Ann got her ante of \$20 back. Such a good sport. And a new member as well!

Thanks to all our “gamblers” who played the game as well as the friendly folks who stopped by to visit and to the businesses who supported the game: Meyers Gallery, Gold Dust Thrift & Gifts Hidden Treasures, The
